

Line 5 provides **financing for every F&I product** your dealership currently sells.

Whether your dealership sells cars, trucks, RVs, boats or motorcycles – Line 5 has you covered. With guaranteed approvals and zero down payment required, your customers get the coverage they want at a payment they can afford.

Line 5 offers every customer, regardless of credit rating, an opportunity to purchase vehicle coverage from you. Line 5 offers budget-friendly terms, so more customers say "yes". With Line 5, you don't have to worry about conditional approvals anymore and we are a great solution for more product sales on cash deals.

Multiple protection plans are easier to sell with Line 5. There are no limits on the loan amount and Line 5 completely funds all deals within 48 hours. Plus, our user-friendly payment calculator not only makes the sales process quick and easy but also enables you to track the sales cycle every step of the way.

You will **close more deals** and make more money.
