

FINANCING MADE SIMPLE.

ACV Auctions is a fully transparent, dealer-only, wholesale vehicle marketplace. And now, with ACV Capital, you'll enjoy the lowest fees and the best service. The advantages of ACV Capital are clear:

| Flat-rate finance fees

As low as \$35. Fees are determined by the vehicle price realized and the terms of the loan.

| No title fees

Never a fee to transfer your titles as quickly and efficiently as possible.

| No interest

ACV Advance does not charge interest on your floor plan financing. Fees are based solely on the loan amount and terms.

| No FedEx Fees

ACV Advance will never charge you for FedEx delivery service; it's included in our robust service that you—and thousands of dealers—trust.

| No audit fees

There are no audit fees in our pricing; all you pay is the loan plus the flat-rate finance fee.

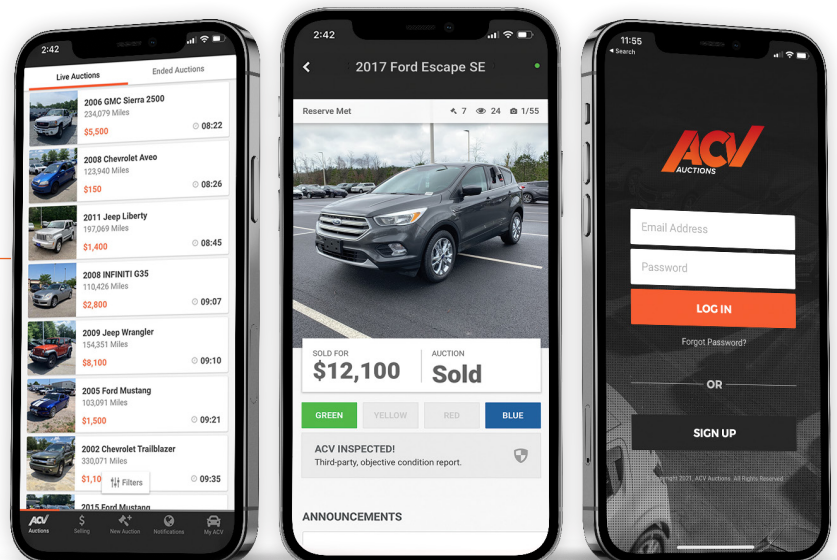

| No additional fees

It's our commitment to you that there are no hidden fees, and no additional costs.

| Transport can be floored

When you transport with ACV you can floor the cost of delivery.

Buy your inventory with ACV Capital—and know your costs up front.
