

Amerisure has contracted with iiX to make their fleet safety-enhancing tools even more affordable. Reports can be ordered via iiX's ExpressNet website. For more information, visit verisk.com/iiX.

Motor Vehicle Reports (MVRs)

Individual MVRs in a standardized, easy-to-read format for just \$0.75 each plus applicable state fees. MVRs will be available to you within a day. If you need your reports immediately, an extra QuickTime fee of \$0.35 will be charged per report. The following states charge additional fees: AZ adds \$1.00; CA adds \$0.15; KS adds \$0.60. MVRs ordered from a QuickTime state using ExpressNet are automatically processed as QuickTime.

DriverSafe Plus

A must-have for fleet management, this solution provides storage of driver profiles to make accessing their previously ordered MVRs and ordering new reports easier and more efficient. Additional features include 5 year report storage and side-by-side MVR look back comparison. Depending on the number of drivers stored in the system, a monthly fee will be assessed.
