OnStar® Safety Services/Wi-Fi Connectivity: Services subject to user terms and limitations. Certain services require working electrical system, cell service and GPS signal. OnStar links to emergency services. Data plans offered by AT&T. Service varies with conditions and location. Vehicle must be on or in the accessory position for Wi-Fi to function. See our Connected Vehicle page at OnStar.com/BusinessSolutions for more details. Availability subject to change.

OnStar Vehicle Insights: Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt, Low Cab Forward trucks and GM vehicles built without OnStar hardware, which includes, but is not limited to, select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostic capabilities vary by vehicle model. Not all issues will deliver alerts. See OnStarVehicleInsights.com for details and limitations.

Properly equipped vehicles receive a 3-month trial of OnStar Safety & Security or Assurance coverage, a 3-month trial of Driver Remote Access, a 2-month trial of OnStar Vehicle Insights, and 1 month or 3 GB of 4G LTE data (whichever comes first).
