

Connected compliance

Electronic Logging Device (ELD) solutions for fleets

A solution that fits your fleet

Whether you're a small or a large fleet of company drivers, Fleet Complete has flexible solutions to suit your business needs. Get your fleet working together to achieve electronic logging device (ELD) mandate compliance under one flexible, affordable, and easy-to-use solution.

Driver logs done right

Fleet Complete BigRoad is an electronic logging app for Android and iOS devices that simplifies driver logs. With it you can complete clean and accurate logs that are inspection ready. If you make a mistake, editing is even easier than on paper.

ELD made easy with Fleet Complete
