

Sonoran Recognized As Top Specialist Brokers 2017

SONORAN
NATIONAL INSURANCE GROUP

RENTAL FLEET

The increasing congestion in cities and rising costs of maintaining a personal car are convincing more people to shift to rental and car-sharing options, which has channeled the focus of insurers and brokers into developing more programs for such business. As a nationwide insurance provider, Sonoran recognizes the specific needs of rental operators and

their customers, and specializes in programs for rental fleet and garage liabilities, dealer open lot and bonds. The company's exclusive rental counter products program includes supplemental liability insurance and renter's liability protection, as well as corporate and licensee master programs and product training.
