

NOT TRACKING RECORDS CONSISTENTLY?

Meet controversy with accountability, document misconduct before it costs you both time and money.

BE PREPARED

- Easily track use-of-force complaints, disciplinary claims, and employee misconduct
- Save time and money with automatic reporting

BE SECURE

- Control who can see cases with customizable permissions
- Manage data using FedRAMP-authorized and FISMA-compliant software.

BE LEGALLY DEFENSIBLE

- Maintain the integrity of your data with legally defensible records and case management
- Automatically report decertified officers to the national registry (NDI)

READINESS SAVES LIVES

The people behind Acadis believe that this isn't just a tagline. It's truth. And we're here for you, any time you have a question or need support.
