**Download the Fleet Forward  
Mobile App!**

**Search for:**  
“Fleet Forward Conference”  
in your device’s app store.

## Connect with attendees with the Fleet Forward Conference Mobile App!

### How to use the Fleet Forward Conference app to connect with others at the event:

- Create your personal profile - open the app and swipe right to enter your information
- Save and be sure to publish your profile
- Select "Attendees" on the app dashboard and choose people to "Friend"
- Once your friend request is accepted, use the icons on the left of the screen to instant message, set meetings or share notes with your new friends.

## Rate Sessions in the Fleet Forward Conference Mobile App!

- Tap the Events icon on the dashboard
- Tap the day at the top of the screen
- Find and tap the session
- Then tap Rate Event.
