(916) 928-9863

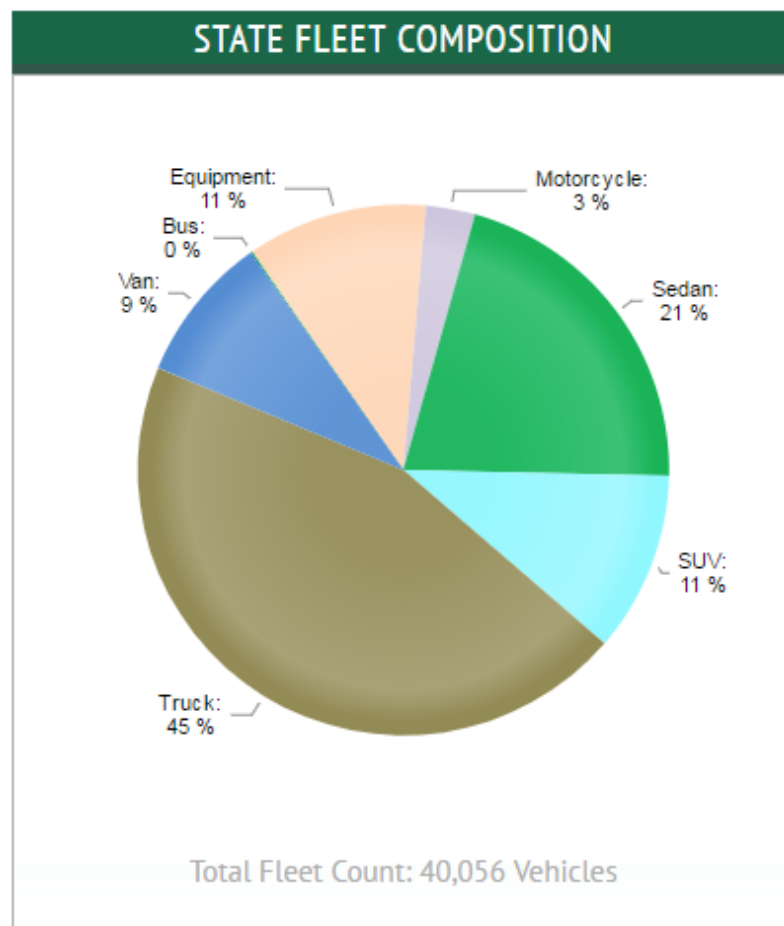

# State of California

## Office of Fleet and Asset Management (OFAM)

- OFAM manages State Fleet (40,000 assets)
- Reviews and approves vehicle purchases – 3,000 purchase requests annually
- Provides rental cars – daily (250 assets) and monthly (4,000 assets)
- Manages state parking garages
- Oversees travel programs
- Oversees surplus property and warehouse services

# State of California Fleet

- Zero-emission vehicle (ZEV) purchasing mandates:
  - 10% starting in 2015
  - 25% in 2020
  - 50% in 2025
- Challenges
  - Diverse operational uses
  - Large geographic territory
  - Lack of infrastructure
  - Increased cost
