## **NEW Exhibitor Registration Process**

We have an exciting NEW registration process this year and you don't need to remember any login or password information!

The main contact listed on your contract will receive a Welcome email from "Government Fleet Expo: no-reply@customreg.com". If you do not see this email come through into your inbox, please make sure to check your spam/junk mail. This email will contain a unique link to your exhibitor registration platform where you will be able to allocate your complementary staff passes.

If additional passes are needed, you may purchase additional badges at the rate of \$395 per person. We request that all online registrations be complete by June 14, 2019. For best service, we strongly encourage you to register early! The registration system will automatically prompt you for payment when you have filled your complimentary allotment.

Please do not use this link to register your customers or other industry suppliers.

**We suggest you bookmark/save your registration portal URL to access, add or change registrants at any time. Also save the Welcome email in case you login from different devices.**

If you have any questions—please feel free to give us a call at (800) 876-8788.
