

39"

64"

ARTWORK SPECIFICATIONS

- Your artwork will appear on the meter panel with the event branding at the top.

Artwork should be created at 39" wide x 64" high in order to fit into the template.

- If your art has bleeds: add .25" to left and right (39.25"w x 64.25"h).
- Keep any type/live matter 1" from trim.
- Please send your art to Pamela Hudak: pamela.hudak@bobit.com and we will place your final art in the template for you.

Acceptable Software Formats:

- PDFS, JPEGS or EPS file formats
- Files should be formatted in high-resolution quality. 100-200 dpi
- Vector-based artwork preferred with fonts converted to outlines.
- All artwork submitted should be created at 100% actual size.
- **CMYK ONLY**, no PMS or RGB files accepted.
