

**HANGING SIGN:** If you have a sign or anything (truss, etc.) that has been approved to hang from the ceiling, **send it to the advance shipping warehouse** address. Hanging items must be identified and readily available since they are installed first, before the show floor becomes encumbered by freight.

Print at least one label for each box. Include the exhibiting company name and booth number. If you are creating your own labels, make sure the same information below is on your labels.
