

## OFFICIAL VENDORS

Unfortunately, Exhibitors may be vulnerable to unapproved and non-vetted companies soliciting you for everything from carpet to list rentals.

Please be advised that we strongly discourage you from working with any of these vendors as many are fraudulent or don't warn you of hidden costs. Below is a list of vendors that have been approved to contact you directly. When in doubt, email [chelle@lctmag.com](mailto:chelle@lctmag.com) before signing on the dotted line!

**DO NOT complete directory forms from Construct Data or the Fair Guide. They are not affiliated with the International LCT Show.**
