

## Official Vendors

As you know, we post the exhibitor list online at [LCTEAST.com](http://LCTEAST.com). Unfortunately, this makes us *vulnerable to unapproved and non-vetted companies soliciting you* for everything from carpet to list rentals.

Please be advised that we *strongly discourage you from working with any of these non-vetted vendors* as many are fraudulent or don't warn you of hidden costs. Below is a list of vendors that have been approved to contact you directly. When in doubt, email [chelle@lctmag.com](mailto:chelle@lctmag.com) before signing on the dotted line!

***DO NOT complete directory forms from Construct Data or the Fair Guide. They are not affiliated with LCT/NLA Show East.***
