

LABOR JURISDICTIONS NEW JERSEY

LABOR

New Jersey is NOT a "right-to-work" state. The installation and dismantling of prefabricated displays comes under the jurisdiction of the Carpenters union. Union Labor is available to assist in the installation and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged for at established rates, using the enclosed order forms.

EXHIBIT LABOR JURISDICTION

Carpenter union exhibit labor claims jurisdiction for the installation, dismantling, and first cleaning of prefabricated exhibits and displays. However, exhibitors may set up their own exhibit display if one person can accomplish without the use of hand tools provided the booth is less than 100 sq ft and can be set in less than ½ hour. Individuals performing the work must be full time employees of the exhibiting company and carry identification to verify this fact. The Union's jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, nor the performance, testing, maintenance or repairs of your products.

Exhibitors are not permitted to use tools of any type (screwdrivers, hammers, electric drills, power saws, etc) on booths of any size.

MATERIAL/FREIGHT HANDLING JURISDICTION

The Teamsters have jurisdiction over all unloading and reloading of materials. The union also has jurisdiction over the operation of all material handling equipment – this includes all dollies and hand trucks. It also has the jurisdiction of the unloading, uncrating, unskidding, leveling, painting and assembly of machinery and equipment as well as the reverse process.

An exhibitor may "hand carry" material provided they do not use any material handling equipment to assist them. When exhibitors choose to hand carry material, they may not be permitted access to the loading dock/freight door areas. Items must be carried by hand, by one person. Exhibitors may use nothing larger than a two wheel baggage cart (rubber or plastic wheel only) to move their items.

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense.

GRATUITIES /BREAKS

Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Do not give coffee breaks other than mid-morning and mid-afternoon, when the union has a 15 minute paid break. Meal breaks are one hour. Any attempt to solicit a gratuity by an employee for any service should be reported immediately to Shepard Exposition Services.

IN GENERAL

Exhibitors do not have to respond to grievances or complaints from union and trade personnel with respect to work jurisdictions. Please refer all such disputes and/or questions to Shepard management personnel immediately.

SAFETY

Safety of everyone working in the hall is of our utmost concern at all times. Standing on chairs, tables and other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Shepard Exposition Services cannot be held responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order Form included in this manual and the necessary ladders and tools will be provided.

Exhibitor Owned Carpet Installation/Removal

Use if you are shipping carpet to the event and require Shepard to install it for you.

To determine square footage amount, multiply the width of your booth space by the length of your booth space.

Carpet and flooring must be shipped to the advance warehouse.

Code	SQ FT	Description	Discount	Regular	Amount	Flooring Type:			
68080		Flooring Only	1.00	1.30		<input type="checkbox"/>	Carpet Rolls	<input type="checkbox"/>	Padding
68083		Padding + Flooring	1.50	1.95		<input type="checkbox"/>	Carpet Squares	<input type="checkbox"/>	Other
68079		MINIMUM	336.70	437.70					

Is electrical to be installed under your carpet? Yes No (Please forward Shepard a diagram of your electrical layout.)
